New York Emergency Disaster Relief Related to Asthma; Notice of Availability of Funds

A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of funds for a cooperative agreement program for New York Emergency Disaster Relief Related to Asthma. The purpose of the program is to assist the New York State Department of Human Services in assessing public health threats and addressing public health issues related to asthma, as a result of the terrorist attack of September 11, 2001. This program addresses the "Healthy People 2010" focus areas of Environmental Health and Public Health Infrastructure.

B. Eligible Applicant

Eligible applicant is Health Research, Inc./New York State Department of Health. No other applications are solicited.

This project is authorized by H.R. 2888, 2001 Emergency Supplemental Appropriations Act for Recovery from and Response to Terrorist Attacks on the United States.

C. Availability of Funds

Approximately \$5,200,000 is available to fund this award. The award is expected to be made for a 12-month budget period within a 5 year project period. As long as funds are continued or directed for this applicant continuation funding will be made available for up to 5 years. Funding estimates may vary and are subject to change.

At the request of the applicant, Federal personnel, equipment, or

supplies may be provided in lieu of a portion of the financial assistance.
